

Vernon Morris Utility Solutions Ltd

Specialist Suppliers to the Utilities

Contractor Standpipes (See List)

Information

The Contractor's LRT Base standpipes are designed to connect directly to the Hydrant Outlet.

Can be supplied in virtually any combination to suit your requirements, whether you require a double hose union bib tap outlet or single outlet, samplers tap, flow monitor, DCV etc.

The Vernon Morris range of standpipes can be supplied with quick-fit connections to allow the quick connection of data loggers as well as the various pressure gauges available.
