**Specialist Suppliers to the Utilities**

The Plastic 4 Gate Manhole Barrier is suitable for use around ground works, cable laying and any other small scale works. It can be used to prevent access to areas of wet floor, or cordon off trip hazards and spillages.

Compact and lightweight the manhole barrier is one of the easiest barriers to deploy and is supplied with four Chapter 8 compliant, reflective Gates, and all the necessary clips to use the gates.

The size of the gates are 1000mm tall and 750mm wide.
