## 49Litre Mini Fridge (for water samples) Product

Code: MINIFRIDGE

### Information

The 49 Litre Black Mini Fridge is a compact cooler that is ideal for water samples.

It is made from premium quality materials, equipped with advanced compressor technology for silent operation, and it is sized to accommodate up to 55 standard 330ml cans. The internal chrome wire shelves are removable to suit assorted bottle sizes, and the easy-to-use thermostat allows you to customise the temperature from 0-10° degrees Celsius.

It has a total capacity of 49L, a reversible door to suit all installations and adjustable feet for levelling on any surface. The tempered glass door is fully insulated to offer superior A+ energy efficiency and equipped with a lock and key to prevent unauthorised access. The UK British Standard plug is CE Certified and suitable for indoor and outdoor applications.

Weight: 18.1Kg

Colour: Black
