TRIO-550 Rechargeable Search Light Handlamp Product Code: VM550TORCH

Information

Trio-550 Ultra Lightweight Rechargeable LED Searchlight with Emergency Function and Powerbank

The Trio-550 searchlight has a light output of 550 lumens and a long range beam of up to 600 metres, and with its robust but ultra lightweight construction, the Trio-550 is durable enough for all uses. The Trio-550 can be mounted on walls or in vehicles using the bracket supplied. It also has the facility of charging a mobile phone due to its built-in power bank. Added to these features it also senses when there is a powercut* and automatically illuminates.
