

Vernon Morris Utility Solutions Ltd

Specialist Suppliers to the Utilities

Valve Tops & Extension Spindles

Information

The Vernon Morris range of valve extension spindles are available in lengths from 6" to 72" in 3" increments. Valve extension spindles can be supplied in standard form (35mm sq. male x 35mm sq. female) or to suit trunk mains (48mm sq. male x 48mm sq. female). Trunk main valve extension spindles can be supplied in 48mm sq. female x 35mm sq. male formats if required, enabling the user to utilise the standard size valve key to operate valves fitted to trunk mains. Steadys can also be supplied for longer valve extension spindles over 2m.

Please contact our office to discuss your requirements.
