Viking 5 Metal Detector/Box Locator Product Code: VIKING5COMP

Information

Viking box locators have been used within the water industry since 1976, the Viking 5 metal detector is one which has stood the test of time, and remains the industries most established metal detector of choice for locating valve covers and chamber lids.

The Viking 5 metal detector is remarkably easy to use, having just two simple tuning controls.

Its simplicity of use, rugged design, combined with its reliability and sensitivity are some of the reasons the Viking 5 has become one of the industries standards.
