

Vernon Morris Utility Solutions Ltd

Specialist Suppliers to the Utilities

WASP 1 Metal Locator Product Code: WASP1

Information

The Viking WASP metal detector is a TR detector with two controls, on/off with fine tuning and the other offering coarse tuning, able to pick up most metals. This detector is ideal for use in detecting manhole covers and stopcock boxes, which have been covered by earth or tarmac. The Viking Wasp is a favourite with the Water industry when searching for hidden manhole covers.

Viking WASP metal detector features

- Non-Motion Detector
