Specialist Suppliers to the Utilities

Listening Stick 5ft.-Hollow- 2pc Bakelite E/ Piece Product Code: 13601

Information

The VM acoustic diaphragm stethoscopes and listening sticks give excellent amplification of sound, enabling the identification of possible leaks in the water distribution network. The range has been designed to give the user preferred choice of material, ranging from wooden shafts to stainless steel rod with a choice of ends such as wood, plastic, or nylon.
