The fitting of these extension spindles extends the working height of the hydrant valve allowing the valve to be operated using a Standard 35mm valve key or Jumbo 42mm valve key.

Valve extension spindles can be supplied in various lengths. Both Jumbo (42mm) socket to Standard (35mm) male top and Jumbo (42mm) socket to Jumbo (42mm) male top are listed below:

Please note the sizes stated are overall length and it should be remembered that when fitted to the hydrant valve approximately 1 ½" is lost from the overall height due to the spindle fitting over the taper of the valve top.

Product Code	Description	Overall Length	Taper
15336B	Valve Extension Spindle	12"	Std male top (35mm) x Jumbo female socket (42mm)
11887B	Valve Extension Spindle	18"	Std male top (35mm) x Jumbo female socket (42mm)
15337C	Valve Extension Spindle	21"	Std male top (35mm) x Jumbo female socket (42mm)
11893B	Valve Extension Spindle	36"	Std male top (35mm) x Jumbo female socket (42mm)

Product Code	Description	Overall Length	Taper
15336A	Valve Extension Spindle	12"	Jumbo male top (42mm) x Jumbo female socket (42mm)
